

# UV-C Floor Roller

Disinfection of floors for barefoot activities: judo, yoga, gym, kindergardens

# UV-J-R / UV-J-B

## Product description

Moving at a walking pace allows for this 72W Roller to disinfect floors from virus, bacteria, spores.

At such speed, the Roller delivers more of a dose than is necessary to diminish SARS-Co V2\* amount to -99,9% (Log3). (\*virus responsible of Covid19)

Such a dose destroys other germs. It does not precludes a possible resistance of other germs or fungies which would require more energy.

## Fonctionnalités

- Power up switch on the upper chest.
- Start up button on the handle bar.
- Green LED: UV-C tubes on.
- RED LED: too fast.
- UV-C tubes turn off if not moving for 5s.
